

2nd Annual Forest Heights Community Night Market ***August 8, 5-8pm*** ***Forest Heights Village Center***

Please join us for the 2nd Annual Forest Heights Community Night Market. This “Saturday Market” style street fair will feature food & beverage vendors, artists & artisans, and local businesses. This event is sponsored by the Forest Heights Homeowners’ Association, and is intended to promote and engage our neighborhood and community businesses, while creating some fun summer events that residents of Forest Heights Community and neighboring neighborhoods can come and enjoy with family and friends

Community Background:

Forest Heights is located on the west hills of Portland and has established itself as the premier planned residential community within the city limits of Portland. The Forest Heights Homeowners Association is comprised of 1940 signature designed homes, and is bordered by 200 acres of common green space and pristine forests. The park at Mill Pond and The Village Center are centralized within this community to provide convenient services to this urban lifestyle. Forest Park Elementary School anchors the community and is flanked by a Portland City Park. The Association works directly with builders, landscapers and homeowners to make decisions that will preserve the community’s integrity. They also organize special events that are designed to welcome newcomers and foster a sense of community.

The Event:

The Night Market will take place on Saturday, August 8, from 5-8pm in the common outdoor area of the Forest Heights Village Center. We invite you to participate in this unique event by renting a booth to advertise and sell your products/services.
